You are **you** and I am **me**

We're as **different** as we can be.

But there's one thing we can **share**

Love for people **everywhere**.

When you're **walking** down the street, say **hello** to all you meet.

A **kindness** here, a **kindness** there, will **change** the way our **world** will care (Repeat Chorus)

When **you** see someone **feeling blue**.

Cheer them up with a **smile** or two.

And you'll find your **love** will **grow**;

When it's **kindness** that you **show**. (Repeat Chorus)
