

**March 15-19, 2010**

## Recycling

### Creative Art

- Silly faces using recycled materials
- Sticky surface sculptures

### Science & Math

- Sorting
- Lid top turning and matching

### Songs & Finger Plays

- We Recycle
- Reduce, Reuse, Recycle  
(Below)  
(To the tune of  
"The More we get Together)

*Reduce, reuse, recycle, recycle,  
recycle;*

*Reduce, reuse, recycle, it's easy  
to do* .

*Cause your earth is my earth and  
my earth is your earth* .

*Reduce, reuse, recycle it's easy to  
do.*

### Books & Language

- *The Great Trash Bash*  
(Loreen Leedy)
- *Why Should I Recycle?*  
(Jen Green)

### Movement & Games

- Recycle Race
- Continuing Yoga moves...

Last week we began learning Yoga. The children learned the "bridge" and the "dog". This week they will learn the "cobra".

- "Love Grows" Song

### Try This at Home!

<http://www.scrapbox.org>

Take your child on a field trip to the Scrap Box in Ann Arbor.

\*The Scrap Box celebrates creativity by promoting inexpensive recyclable arts and crafts supplies, thus enhancing educational & recreational programs throughout the community.

\*Check your child's school bag for a Scrap Box flyer!

Or

\*Build an at home recycling station and make everyone aware of what they can recycle and where to do it.

### Reminder:

There will be NO School for the children on March 17<sup>th</sup> and 18<sup>th</sup> due to conferences.
