

Early Learning Center Winter 2020 Fundraiser

Pinter's Greenhouse, a local business, will be supplying the greenery for our winter fundraiser for the 21st year! Throughout our partnership we continue to be impressed by the quality of their products and will be offering the following beautiful products this year:

14" ring size decorated wreath for \$30

This decorated wreath will be perfect for your front door. The wreath's outside diameter measures approximately 22".

7.5" potted poinsettia in your choice of red, white or pink for \$15

A very popular item every year. They make great gifts for the holidays!

50' cedar or mixed greens (pine and cedar) roping for \$40

If 50' is more than you need, consider sharing it with a friend or neighbor.

Your order will be available for pickup at ELC at 11:45 AM on Tuesday, December 8. Thank you for your support!
